QUALITY GRAPHIC NOVELS

Quality Comics and Graphic Novels for Educational and Public Libraries

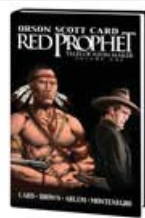

Welcome to Sealight Books' Quarterly Brochure for the months of April to June 2007. Generally this time of year heralds the latest round of blockbuster comic movies and this year there are no fewer than six big name movies being released that have been adapted from comics. Amongst the highly anticipated franchise movies such as Spider-Man 3, The Fantastic Four 2 and The Transformers are a couple of smaller adaptations worth highlighting. While not well known outside the industry they are sure to attract interest once the films have been released. To continue with the Blockbuster theme our manga section highlights the top ten best-selling manga series published in English with full listings of available volumes. So sit back, grab some popcorn and enjoy your read!

Civil War Frontline Vol 1 ISBN: 0785123121 \$29.99 Full Colour 208p [YAF]

The Marvel Universe is changing. In the wake of a tragedy, Capitol Hill proposes the Super Hero Registration Act, requiring all costumed heroes to unmask themselves before the government. Divided, the nation's greatest champions must each decide how to react - a decision that will alter the course of their lives forever! At its core Civil War is about the freedom of information vs the right to privacy in a world full of threats from outside and within. It sets up events that affect the characters in the Marvel Universe in significant ways and is a thoughtful and exciting read. The Road to Civil War is a prelude to the war and Civil War Frontline explores the deeper issues behind the war via an intrepid reporter for the Daily Bugle newspaper.

FEATURED TITLES

Comic Movie Blockbusters 2007

Movies adapted from comics and graphic novels have increased in popularity over the last 6 years. This year we will be treated to some of the biggest names in mainstream comics and some of the smaller, less hyped titles in the medium. While Nancy Drew and The Simpsons did not start life as comics they have a number of graphic novel titles available that may attract readers.

Transformers-Robots in Disguise [YAF]

The Transformers are a group of robots that came from the planet Cybertron have the distinct characteristic of being able to convert their bodies from a robot shape into another format-usually a vehicle. A hit cartoon and toy line in the 1980s, the franchise is now a new movie from Steven Spielberg set for a July release and promises to be action packed and visually stunning.
